## WELCOME MESSAGE

**Yogesh Mudras**  
Managing Director  
Informa Markets In India

*On behalf of Informa Markets in India I am happy to welcome you back to one of our most awaited and celebrated shows – SATTE (South Asia's Travel and Tourism Exchange). In its 28th edition, the show is yet again being held at the India Expo Mart, Greater Noida, Delhi – NCR and marks our return to the world of physical expos post the lockdown.*

*The year 2020 saw a mayhem in the ecosphere of travel, tourism and hospitality industry due the ongoing pandemic. The WTTC estimates a loss of US\$5.543 trillion in the sector's contribution to global GDP and 197 million jobs if travel restrictions prolong. India has been no exception, with a significant decline of tourism during 2020. As 90% of the global population adjusted to life under travel restrictions and others stayed home in fear of contracting the virus, the sector came to an almost complete standstill. Yet, travel, tourism and hospitality players have remained strong in these times of adversity, seeking ways to mitigate the losses and grow the sector in novel ways.*

*To prepare for 2021, we are delighted to kickstart our physical trade exhibitions through SATTE in complete adherence to government's extremely balanced SOP, further ring-fenced by Informa's AllSecure health and safety standards. As the world's leading events' organiser, Informa has developed a detailed set of enhanced measures to provide the highest levels of hygiene and safety at its events, providing everyone with the reassurance and confidence that they are participating in a safe and controlled environment.*

*With an exciting line-up of conferences, SATTE 2021 will host a series of sessions and workshops, presented and lead by high profile speakers and industry stalwarts, covering topics from all aspects of the industry, making it future fit in a post-Corona world.*

*I take this opportunity to thank you all for your contribution and support rendered towards the show. Special thanks to IATO, TAAI, ADTOI, TAFI, OTOAI, IAAI, HAI, FHRAI, ICPB, NIMA, ABTO, UFTAA, PATA, Skal, ETAA to name a few, who have helped bolster the efforts of SATTE.*

*Wishing all the visitors and exhibitors at SATTE 2021 a successful show!*

### MESSAGE

Season's greetings from IATO and wish you a safe and healthy 2021.

The Pandemic has devastated the tourism industry. With the onset of vaccinations, the time has come to prepare ourselves for the better future which we envisage will, with the support of the Government, come soon. Ministry of Tourism, Government of India is making efforts in their marketing plans to augment international tourist arrivals to our country. SATTE, since inception, has given the tourism industry stakeholders a business opportunity and a meaningful platform to interact with their trade associates from across the globe. The resultant exchange of knowledge on products, services, packages, profile, destinations and facilitations have always paved the way in making a strong business sense out of the event. Thus SATTE will show the world that INDIA is ready to welcome tourists with all its SOPs in place.

The presence of craftily selected Foreign tour operators from across the globe who churn out effective B2B meetings with their Indian Counterparts cater to effective inbound tourism. With the FAM that follows, the process of Destination Promotion and Onsite Marketing of Incredible India comes a full circle exhibiting the safety and hygiene protocols that bolster confidence in India. The meaningful inaugural and the well-appointed sessions cater to the intellectual appetite of the discerning trade.

The National Tourist Offices (NTOs) and the countries from across the globe participating in SATTE, prepare the grounds for the cultural exchange that is much needed post the pandemic. The stakeholders are acquainted with the product and service canvas from across the world that they may like to usher into India, besides it caters to Indians travelling abroad – the component of Outbound Tourism that a chosen segment of the stakeholders in India field as their business model.

Like all previous years SATTE rolls on with pride catering to the business hunger of our tourism stakeholders, 24-26 March 2021 at India Expo Mart, Greater Noida, Delhi NCR, it pans out to meet your expectations in the best way.

# MESSAGE FROM TAAI

## TRAVEL AGENTS ASSOCIATION OF INDIA

**Jyoti Mayal**  
President

I as the President of Travel Agents Association of India, Vice Chairperson of FAITH & Chairperson for Tourism & Hospitality & Skill Council am delighted to know that SATTE 2021 is being organized from March 24<sup>th</sup> to 26<sup>th</sup> at India Expo Centre, Greater Noida, Delhi NCR. This is indeed a great step towards the revival of the Indian Tourism.

TAAI congratulates Informa Markets for organising SATTE 2021 at a time when the tourism sector is opening with caution & the industry is struggling to survive. The event will not only instil confidence among the travel fraternity but will also pave the path for new business opportunities in this changed challenging environment.

We, at Travel Agents Association of India, have been supporting SATTE since the beginning. With every passing year, we have strengthened our relationships with SATTE & our members surely have benefitted from this mutual association. I am personally of the opinion that SATTE offers the most appropriate platform for exhibitors and buyers to network, conduct business and strengthen their business relationships in this region of the world.

It is also heartening to know that Informa Markets in India is implementing its Informa All Secure to enhance Health & Safety Standards at their events in the post-COVID-19 world.

I have been advised that 250 domestic buyers and 35 international buyers are attending SATTE 2021. As international borders are yet to open for tourism & international flights still to operate beyond air bubbles, SATTE's focus on Domestic Tourism is totally in line with the Ministry of Tourism's 'Dekho Apna Desh' campaign.

SATTE 2021 will surely continue to showcase the diversity of Indian tourism products to the global travel and tourism market.

I wish the entire team of SATTE 2021 a grand success.

### FOREWORD

*"When the sea is rough",* so goes a saying among the fishermen *"it is time to mend the nets"*. For the tourism and hospitality industry devastated by a year of pandemic therein is a profound message- that this is a time for introspection and preparation for a better future.

In that context, SATTE 2021 is a bold initiative in many ways and conveys many essential messages. It is bold because it dares to face the storm by trying to develop the most important weapon that can help to come out of the stupor – confidence, of course not losing sight of the paramount importance of the health and safety considerations.

SATTE happily is also a symbol of coming together of the myriad hues of travel and tourism industry. It not only provides a platform for exchange of ideas, information, opportunities, and innovations, it can achieve a great deal if it can build up collaboration to raise a voice together.

While revival of Indian tourism will no doubt be propelled by domestic tourism (and we must put our heads together to see how to facilitate that) regional tourism is also very meaningful. Experience of SARS etc. have shown that when long haul tourism was halted regional tourism sustained the industry. In fact, South Asia can be largely overland destinations exploiting the attractions of Buddhist circuits, ecotourism, river tourism and so on.

As UNWTO has pointed out, the future will inevitably be of sustainability – of which responsible tourism will be the main component. SATTE should give the lead by focusing on responsible marketing.

Hotel Association of India is fully committed to push the collective energy for revival and growth on the principle of Atmanirbhar. We believe in building up a constructive PPP with the government. While the industry wholeheartedly implements the government policies and strategies government should proactively take steps to remove the shackles that inhibit the growth of the industry. By supporting SATTE, HAI conveys the message that we are together at the time of crisis.

Everything will fall in place if the importance of tourism, much talked about, is truly reflected in national policy initiatives. We all must work together to make tourism count in national policy planning.

With best wishes,
